

# ***CLASS MISSION***

## ***Paving the Way to Success***

In Kindergarten we are laying the foundation for students' academic careers and I want to make it as strong as possible. My class mission is to nurture a positive attitude and a love for learning in the hearts and minds of the kindergarten students.

My expectations are high for everyone involved: the students, parents and I, because it is through a partnership that we can make great things happen in the Kinder class of St. Columbkille School. If we all work together, I am sure our children will have a great academic beginning that will carry them from success to success for the rest of their lives!
